

MSI Winter Wear

Officer Uniform Jackets & Bib Coveralls

Michigan State Industries now offers a new waterproof and breathable style of winter wear. The jackets and bib coveralls are made with 70 denier, 2-ply supplex shell breathable coating and 200 thinsulate taffeta lining. Jacket and Bibs are waterproof. Each jacket features a stand up collar for extra warmth, detachable hood, and zippered front with wind flap, hand warmer pockets, zippered inside pockets, side zippers, and inner drawstring waist. All jackets are unisex. Waist length or fingertip length are also available. The bib coveralls are insulated, and feature a two-way full zipper front, snap sides, two-way leg zippers, two front patch pockets, elastic back waist, and adjustable shoulder straps with snap buckles. Colors available are black, brown, and navy blue.
